

Discussing Evidence and Active Listening Checklist

You know we are using *evidence* to support our thinking because you *hear* us say things like:

_____ I think _____ because _____.

You *hear* that we are listening to each other's ideas because we say things like:

_____ I agree with that idea because _____.

_____ I disagree with that idea because _____.

_____ I think I understand what you're saying. I think you said _____.

_____ Could you show me what you mean?

You *see* that we are listening to each other because we are:

_____ Making eye contact with each other

_____ Waiting to talk until the other person has finished

_____ Keeping respectful expressions on our faces (no funny/mean faces)
